

NET PREAMBLE

Calling the CECA Emergency Net, this is **VA7ECA**

My name isand I am located in

This Nanaimo Emergency net specializes in the handling of formal traffic using the NTS format, and meets weekly on Tuesday nights at 1900 local time on 146.64 MHz Nanaimo repeater.

All stations are asked to remain on frequency for the duration of the net unless excused by net control.

ARL numbered text is encouraged and messages should be limited to 25 words if possible.

Before starting the net, are there:

Any stations with emergency or priority traffic?

Stations with regular formal traffic starting with call signs **Alpha-Golf** come now
Stations with regular formal traffic starting with call signs **Hotel-Papa** come now
Stations with regular formal traffic starting with call signs **Quebec-Zulu** come now
Are there any missed stations with traffic? Come now.

Any stations with net bulletins?

Roll call will be by way of call sign suffix. Once stations have checked in we will begin the passing of traffic.

Stations with call signs **Alpha – Golf** come now.
Stations with call signs **Hotel – Papa** come now.
Stations with call signs **Quebec – Zula** come now

I will now commence the passing of regular formal traffic, starting with ...

Are there any stations, late or missed that would like to check in now?

(Call Training Manager and ask if there is a training session for the net.)

Are there any stations with anything further for the net?

Nothing heard. This ends the CECA emergency net.

(Give the net report to the Net manager in the NTS format.)

Thanks to all and 73 the net is now closed at
This is VA7ECA the frequency is now clear.
